STUDY GUIDES FOR LENDING and USE AT THE CENTER

The Education Advising Center in Cape Town offers a range of study guides for lending and use at the Center.

Anyone interested in borrowing or using these materials in the Center must phone the Education Advisor for an appointment. If the Education Advisor is not available, the Assistant Librarian, Thundeza Matiwane, is able to assist people in the afternoons, Monday to Friday.

Study guides for the following tests are available for lending:

SAT	TOEFL (books and tapes)
GMAT	GRE
LSAT	MCAT

Borrowers must pay R20 cash per book per week, and may borrow guides for up to two weeks at a time (R40).

These study guides, as well as many others, are also available for use in the Center. Powerprep CDROMs, identical to those which are sent to TOEFL and GRE test takers, are also available for use in the Center.

There is no cost for the use of study materials in the Center.
